

23rd BI-ANNUAL QUILTER'S BEACH GET-AWAY OCTOBER 28-31, 2010

Hosted by Jeanette Pie' from Easy As Pie Designs

23 BEACH GETAWAYS...Lets make this getaway a special one. You are going to love the HUGE Classroom at the Sands Hotel!! You may start setting up your sewing space in the sewing room anytime after 3:00p.m. We will start the getaway at 7:00 p.m. by working together and getting to know each other while making a MAKE IT-TAKE IT project designed by our guest teacher, Connie Huddleson from Colorado.

It's time to "getaway" from our hectic schedules and grab a little "ME" time. Seize this weekend to get back on track. Breathe the salty air, put your toes into the sand, and sew without interruptions. The Sands Hotel is located right on the boardwalk, which will lead you to all sorts of shopping and eating opportunities. Who could ask for a better weekend???

*Let me tell you about my dear friend Connie. I met Connie at a Quilter's Retreat that she and Lynne Hagmeier were hosting on Orcas Island. My life has never been the same. She is an incredible teacher who has become an incredible friend. She is oozing with talent and personality that draws you into her love of quilting...especially with wool. Some of you had the opportunity to take classes with her at my Oct. 2009 Getaway. She's baaaaaack with her newest pattern, "Woolie Dresden Fan Wallhanging". If you have always wanted to learn the basics of Wool Applique and Embroidery...this is the project for you. Connie will encourage you to do things that you thought were out of your reach. Don't let the word "APPLIQUE" scare you...wool appliqué is amazingly easy and so much fun!
Friday Night, Connie will also have a trunk full of finished wool projects to "Show and Tell", and many kits, books, wool, threads, oh my...for you to purchase.*

FAT QUARTER & BLOCK LOTTERY MAKE IT – TAKE IT PROJECT SHOW & TELL

CLASS A: Around the Block Quilt (68"X81") Taught by Jeanette Pie' A fun to sew block made with nine patches and a strip sewn on all four sides to create the center of your quilt. The fun part of this quilt top is the element of surprise in the border and set in triangles to create a easy to sew pieced border. By simple piecing of the set in triangles and easy piecing of the border you have made a nine patch quilt with a "WOW" factor!
(I would not suggest a jellyroll because you have to cut the 2 ½" strips down to 2 ¼" strips.)

CLASS B: Carry Me Bag~ Taught by Janet Elliott Tote those little projects everywhere, this bag makes it fun! Knitting or crocheting a sweater? Working on appliqué or wool? Carry your projects in the CARRY ME BAG! So cute and just the perfect size. Pick your favorite Honey Bun Roll, or cut strips from your stash. You'll love making this bag!

CLASS C: Pinwheel Posies Again Quilt (52"X52") Taught by Susan Crane This pattern is for an adorable quilt that uses charm packs, or your own choice of fabric combination. What's really neat are a couple of new techniques: the flower petals are 3 dimensional (trust me-not hard at all), the flower centers are covered buttons, and a gentle wavy edge/outside border to finish it off! (Even though the pattern calls for a wavy border this is entirely optional).

CLASS D: Sand and Surf Basket ~ Taught by Sherry Pie' This beachy basket is made of twisted seagrass and traditional rattan in natural colors. The 15" base flairs out gently and shapes inward to a 12" diameter top. The double lashed rim is the perfect touch to finish this beautiful 10" tall basket. Base will be done prior to class by Sherry. **Kit fee: \$60**

CLASS E: Wollie Dresden Fan Wallhanging (37"X37") Taught by Connie Huddleson If you have been wanting to learn the basics of Wool Applique and Embroidery...this is the project for you. Connie will teach you all the basics from cutting the Background & Sashing, tracing the appliqué designs, fusing onto wool and then laying out all the appliqués onto the background pieces. This design features black flannel background with green houndstooth sashing strips. Simple shapes of Fans are featured in the Dresden center, the Fan Flowers on the Vine and then finished off with the Fan Pickets around the outside edge. The embroidery can be simple Blanket Stitching or this piece can be embellished with fun Crazy Quilt Stitching. Take this class on Friday and Connie will be available to help with embroidery for the rest of the weekend. She will teach you some fabulous stitches! **Kit fee: \$80 options: Perle Cotton kit with 12 colors \$25 or stitching it all in Black for \$2.35**

SUNDAY CLASS: Snap Happy Bags (3 small bags) Taught by Susan Crane The most fun pattern ever! Cute little bags that use a metal carpenter tape to snap them closed. Make this for every women on your Christmas list because...it will make them happy! **Kit fee: \$15 includes everything except fabric**
