BEFORE CLASS

It will be sew much easier if you cut your fabrics at home where you have more room and can take a break as needed! You will also be able to start in on the fun part – sewing – right away!

(*) Pattern available from Easy As Pie Designs for \$8. You will need to preorder this. It will be available for you to pick up at the getaway, just be sure you preorder promptly!

(**)If you precut before coming to class you should only need a small mat.

Bring your extra fabric with you -- for just in case!!!!
